DOCK RITE, INC. 15 YEAR LIMITED WARRANTY

Dock Rite, Inc. warrants all Dock Rite products by the original owner from defects in materials and workmanship under normal use for a period of 15 years from date of purchase (void if alteration, neglect, misuse, accident, ice or storm in the cause except for what is stated below). Dock Rite agrees to repair or replace only defective parts returned to the factory (prepaid Hutchinson, Minnesota) and deemed defective by Dock Rite, Inc.

This warranty covers all Dock Rite products manufactured by Dock Rite, Inc. Warranty does not cover any product manufactured by any other manufacturer that is sold by Dock Rite, Inc. (such as winches) that may carry their own manufacturer's warranty, or may damage caused to a Dock Rite product that is not a defect in manufacturing. This warranty also does not cover a Dock Rite product that was used in any way that it was not originally intended to be used as, or in any way that would create excessive wear or corrosion other than the intended use of the Dock Rite product. Dock Rite does not warranty any products made of wood (decking, benches, boat lift bunks) as are subject to weather and are expected to deteriorate over time, unless Dock Rite workmanship is the cause of failure to perform as sold.

All warranty claims are subject to Dock Rite approval and can be made by a Dock Rite dealer or contact Dock Rite directly and must have original bill of sale stating original date of purchase of the item being claimed as defective. All claims must be made and approved by Dock Rite, Inc. before any repair work is started.
